

*The Queen is gone*

*Millions from around the globe came to commemorate*

*Her Majesty's mercy reigns*

*Remembering Her warmest smile*

*From Fremantle to Gilford, York to Northam*

*Buzzing Swanston Street cheered on*

*Magical Swan River to Sydney Harbour*

*Coast to Coast*

*Blessed be Her soul*

*Blessed be Her offspring*

*Widely as Her kindness flowed*

*Rescued Her people from all foes*

*The lone piper blew the haunting tune*

*Echoed in the Grand Cathedral Hall*

*As we saw the weeping moon*

*The wind carried whistles to North and South*

*All across the Realms of Her Commonwealth*

*Alas, Her grace is none so rare*

*Nothing compares to our beloved Queen*

*- May our Queen of hearts rest in peace.*
